# PETIT LE MANS

10-13 OCTOBER 2018

**PETIT LE MANS**

## ABOUT THE EVENT

"There's a crazy atmosphere at Petit Le Mans, a bit like in Sebring. Americans are proper fans. Road Atlanta offers many great places from which to watch the race. Sometimes you can be very close to the track itself. Some of the fans are very exuberant, one of them even comes with... his boat!" Anthony Megevand, LM P2 Customer Competition Manager Client LM P2

## ONE FACT ABOUT THE TRACK

Did you know that two of the four teams competing in LM P2 have already won Petit Le Mans in the LMPC class? PR1/Mathiasen in 2011, 2015 and 2016, CORE autosport in 2012. Performance Tech have also climbed onto the podium several times and claimed their 2017 title on that track.

## A MUST EAT

A burger from The Varsity. Not the most beautiful one, probably a little bit squashed, but a true classic in the area. And a Coca-Cola because Atlanta is the World of Coke.
